

BUILDING A BETTER WESTMORELAND.

Economic Growth Connection
EXCITING TIMES!

2022 was one of the most productive years in the history of Economic Growth Connection. In 12 months, EGC was awarded \$3.5 million from the Commonwealth to seed a local revolving loan fund and \$950,000 from County Commissioners to implement a transformational workforce development program in conjunction with County educators, employers and leaders. Headlines continued with the launch of the Digital Foundry, a partnership with PSU New Kensington and EGC's acquisition of a 40,000 sq.ft. building in Hempfield that will be remodeled for tenant use in 2023. Now is an exciting time to get involved with Economic Growth Connection!

WE NEED YOUR SUPPORT

Membership in EGC supports a broad range of activities aimed at retaining and growing Westmoreland County's business base. It is a long-term investment in the health and sustainability of the County. With your support we are able to facilitate low interest financing options, workforce development opportunities, youth career exploration programs, and revitalization efforts. EGC works in collaboration with our county partners through the Westmoreland Development Council, other local and regional organization and public officials for the benefit of our County.
